The Catalanes Pyrenees

In the Pyrenees Orientales, the Catalan country, Capcir and High Conflent contribute to the beauty of the Catalan mountain. It's a highland destination, ideal for all seasons ... In summer, you'll see the torrents sing and dance into the hollow rocks, sparkle lakes and the mountain vibrate under the caress of the sun. On foot, horseback or mountain bike, around the great hiking trails nearby, alone or accompanied by professional guides, our country will get an exhilarating feeling of freedom ... In winter, the atmosphere changes and the "white" presides over the destinies of skiing areas and trails for snowshoes. Guests can enjoy skiing in a prime area combines with excellent snow and sunshine. 4 family skiing resorts will open their tracks in perimeter of 20 km. Nordic skiing, Nordic hiking and snowshoeing in a protected territory.
